Activity: Outdoor Tidy-Up & Christmas Decoration Support

Summary

A request for assistance was received from parish member Roji Joseph, who sought help with outdoor tidying and Christmas decoration at her home. Due to limited social support, as well as recent surgery that left her physically fatigued, she was unable to complete the work on her own.

Recognising the need, the Community Outreach Programme organised a working bee to support her. Formal written consent was obtained from the homeowner authorising the volunteers to carry out the activity.
